To Whom It May Concern:

This office is forwarding to you this reference for professional experience questionnaire, relative to the professional qualifications of the applicant for licensure as a Professional Engineer or Land Surveyor, whose name and address are given above he/she has listed you as having personal knowledge of his/her character and professional experience.

Your prompt return of this questionnaire properly filled in and signed by you on the reverse side will greatly assist the Board when considering his/her application for licensure, and your reply will be considered as confidential information by the Board.

The Board of Professional Engineers will expect any person signing this questionnaire to understand that the Board is required to obtain evidence of the professional responsibility and good character of applicants for licensure as a Professional Engineer or Land Surveyor. Statements by responsible persons with actual knowledge of the experience and qualifications of the applicant will be considered by the Board as evidence in such connection.

Practice in the profession of Professional Engineering or Land Surveying involves relations with the public that necessitate a high degree of honor, integrity and professional ability. Therefore, this board desires the person subscribing to this statement to understand fully that the purpose of the law requiring a license is to protect the public from the practice of engineering or surveying by persons whose character is questionable or who are not competent to engage in such practice because they lack proper education and professional experience.

When completed, this form should be returned to:
